# From shelf-ready concept to private label packaging

*Our amaryllis, flower bulbs and perennials assortment is available in a variety of packaging. In a recycled foil, paper bag or burla bag with capper. In a carrier bag, box, store display or classic counter display. On pot, in a sleeve or in a tray. The possibilities are endless. In addition to ready-made concepts developed by the Kébol design team, we also offer private label concepts. Our design team is happy to share ideas with you.*

## Concept creation

Trendwatching, studying consumer behavior, visiting show gardens and trade fairs, market research on transport and packaging feasibility. Just a few areas of focus that our in-house design team works on every day. They conceive, design and develop consumer concepts for all products and markets within Kébol.
