## All varieties also in our high volume program!

In addition to our unique range of plants with order quantities ranging from 5 to 25 pieces, the complete assortment is also available in **full boxes** (high volume program). Perfectly suited for larger growers!

## Ordering

For best availability please order early.

Our order deadline is **July 30th**. Orders placed after the July 30th deadline will be dispatched during the regular delivery periods in winter and spring.

An acknowledgment will be mailed to you as soon as we have processed your order. All orders are subject to crop conditions. We have a long growing season and many unforeseen problems may occur which can damage crops and thereby reduce the amount of plants available. Every effort is made to fulfill orders, but the availability of a particular variety cannot always be guaranteed until we begin shipping. Therefore, we may have to cancel some items from your order at a later date.

Please check your orderform for multiple quantities for all products.

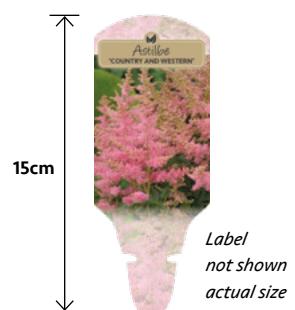

## Pot tags

For all catalogue items, pot tags are only shipped upon request.

You can request tags for your complete order by checking the relevant box on the order form. Please review the tag costs on your order form. Tags will be attached to the bags with plants.

For the following items the tag multiple is one tag per three corms. *Convallaria majalis*, *Crocosmia* and *Liatris* (except for Kobold).

Each tag includes full English descriptive information and notes on care and usage.

### Upon Arrival

- Open all boxes and bags immediately upon receipt
- Let the roots/shrubs thaw out slowly
- Check condition of the roots/shrubs in the boxes
- If you notice any damage, please contact your sales rep within 7 days
- Items that cannot tolerate storage should be planted immediately

### Planting

- Do not plant roots that are still frozen
- Handle the roots with great care to avoid breaking of buds
- Check rhizomes before planting and discard any soft rhizomes
- Don't let roots dry out during potting
- How to plant the roots/shrubs: the plant table will provide guidance

### Soil

- It is necessary to use a well-drained potting soil
- Firm the soil around the roots: prevent air pockets

### Watering

- After first time watering wait till the plants emerge before watering again
- During growth, water as needed
- Overwatering, or allowing the soil to get soggy, can cause root rot
- Use your grower skills to closely monitor the growing

### Greenhouse conditions

- Best temperature to start cultivation: the plant table will provide guidance

### Claims

- Concerns over delayed or damaged shipments must be reported on the carrier's bill of lading in order to be considered. Please report your concerns to your sales rep immediately
- We guarantee that all plants are true to name and of good quality when shipped. Any quality concerns or shortages must be reported to your sales rep within 7 days of receipt of the order to be considered. For any product claims or disputes, we shall be held liable for the plant cost only, and in no case shall we be liable for any cost greater than that. If you receive plants that are non-viable or did not break dormancy, you have 60 days to submit a claim for it to be considered.

### Enjoy Your Purchase

Last but not least, enjoy your new purchase! We hope it exceeds your expectations and adds value to your business. Remember, we're just a message or phone call away if you need any assistance.
